Award letter and detail
We have reviewed and assessed your enrollment history under our satisfactory academic progress (SAP) standards.

You are in a warning status; you are not meeting the minimum cumulative grade point average required. You do not need to submit any documentation to our office at this time, but be advised that your financial aid may be jeopardized in future semesters if you continue to fall below the minimum GPA standards.

Failure to comply with SAP standards may result in the loss of financial aid in future semesters.
