

Navigating the Banner Landing Page

Quick Reference Guide

Accessing Banner

Use your unique **User Name** and **Password** credentials to log in.

1) Page Access

On the Banner landing page, access Banner pages using the:

- **Menu** icon: View menus of your institution's Banner, My Banner, and Banner Self-Service applications.
- **Search** icon: Enter a key word(s), partial page name, or seven-letter code.
- **Search** field: Enter a key word(s), partial page name, or seven-letter code.

2) Basic Navigation

View the user's **Log In Name** or click the **Sign Out** icon to exit the application. Click the **Help** icon (question mark) to display detailed page information. **Help** is active only when a page is open.

3) Keyboard Shortcuts

View a partial list of handy keyboard shortcuts. With the exception of **Sign Out**, use these keyboard functions like a toggle switch to open and close the specific page element.

Display Menu: Ctrl+ M

Display Recently Opened Items: Ctrl+ Y

Display Dashboard: Ctrl+ Shift + X

Search: Ctrl+ Shift + Y

Help: Ctrl + Shift + L

Sign Out: Ctrl + Shift + F

Searching For and Filtering Data Quick Reference Guide

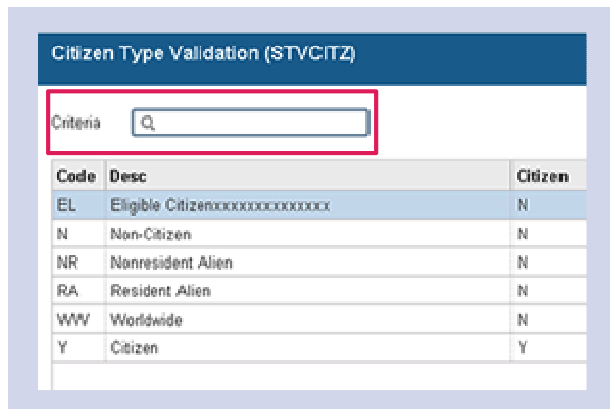

Performing a Lookup

The **Lookup** icon allows you to quickly search for a value for a field.

1. Click the **Lookup** icon in the field.

2. Type a value in the **Criteria** field, then press **Enter**.
3. In the list of options, highlight the value by selecting it, then click **OK**. Or, double-click on the correct value to return it to the field.

Filtering Data

You can filter, or query, data in a section by clicking the active **Filter** icon in the section header. In some cases, when you click the **Lookup** icon, you will be presented with the Filter window as well.

1. Click the **Add Another Field...** drop-down arrow and choose the field on which you want to filter. *If you want to return all records in the system, do not enter any filter criteria. Just click **Go**.*
2. Click the **Operator** drop-down arrow and select an operator, as needed. *The available operators depend on the type of field (numeric, alphanumeric, date, check box, or other).*
3. Enter a value for the field you selected (in the field to the right of the **Operator** field).
4. Repeat steps 1 – 3 until all filter criteria are entered.
5. Click **Go** to display the results. *To return to the page without filtering, click **Cancel**.*
6. Click the **Filter Again** button (on the Search Results window) if you want to perform another filter.
